Fishing Flashes

Barracuda hit hard for ocean going fishermen in Redondo Beach waters this past weekend.

Blue skies, calm waters and hungry fish enabled 421 sport-fisher passengers to catch 803 barracuda: most off which were logs. Jackpots were 11 and 12 pounds.

YELLOWTAIL were less active during the weekend for passengers on board Redondo's three sportfishers. In 10 weekend trips, 133 yellows were caught.

Expected to become a strong companion event and running mate for the celebrated \$25,000 San Diego Yellowtail Derby but featuring cash prizes and designed to include several other species not now covered by it, a second angling tournament will be launched here tomorrow.

Fully recovered from Tuesday's heart-stopping one-run verdicts, the city's three star-eyed baseball teams return to action this afternoon to launch second round warfare in the hectic Bay and Pioneer League pennant races.

North High, Torrance and South will defend their worst records at 3 and if Tuesday's scores are any indication, today's games and second half of play in both leagues are liable to plant a few gray hairs before the season ends on May 17.

Scores of 1-0, 5-4, and 3 to 2 in 9 innings were turned in by the three local prep institutions, re-juggling the standings to find North in a two-way tie for first in the Bay League, Torrance just one game away in the Pioneer

League, and South all but eliminated from the same race after the Spartan's heart-breaking 3-2 extra-inning defeat at the hands of El Segundo.

North, which goes into its biggest game in the school's baseball history this afternoon against Mira Costa with undisputed first place at stake, sank Santa Monica 1 to 0 behind the baffling righthanded slants of Dennis Hogue and a sterling relief job turned in by sophomore Billy Kehoe.

Catcher Dave Marsden's first inning RBI single off All-CIF pitcher Cliff Goodrich stood as the game winning difference between the two teams.

Hogue (5-2) was relieved by Kehoe (2-2)—who'll pitch today's crucial in Manhattan Beach—with two on base and one out in the 7th. Billy

wasted no time and promptly forced Samohi's Jerry Sale to ground into a game-ending double play, third baseman Jim Carrico to first sacker Dwayne Merrill.

Both North and Micohi have 5-2 records, and today's winner stands to go all the way.

TORRANCE used the big bat to upset Aviation 5-4, two home runs with ducks on the pond turning the trick.

Billy Williams' homer with

Steve McGuire on accounted for two of the Tartar's three first-inning runs, then third baseman Eleazar Ybarra hit for the circuit in the 4th to provide the clinchers and nullify a four-run third inning rally by the Falcons off winning pitcher Tom Richardson.

In racking up the crucial triumph, the Tartars beat Ted (No-Hit) Sprague with an eight hit attack.

Today, it'll be 225 pound Lefty Ray Wilson going against

Culver City on the movie city diamond.

SOUTH HIGH went nine innings with league-leading El Segundo only to lose on a one-out homerun blast by Mike Pace, 3 to 2.

The Spartans had rallied back in the 7th—the regulation game length — to tie it on Catcher Mike Czarke's second RBI double of the afternoon.

Czarke had two of South's four base hits off Bullet Bob

Flynn, who struck out 15 Spartans in going all the way.

One of El Segundo's three runs was a gift, resulting from a dropped fly ball in the outfield and an infield error in the fourth inning.

Losing pitcher Bob Wehrhan was masterful in defeat, fanning six on perfect control. Bob's gopher-ball pitch was a 1-2 fast ball which was golfed high over the left-centerfield screen at Recreation Park.

against Aviation at South this afternoon in a "do or die" clash.

Either Lefty Larry Pace or Larry Thomas will do the pitching for the homebreds.

El Segundo	001	100	001-3

TWIN KILLING . . . North Hi third baseman Jim Carrico steps on bag for force out before firing to first to complete game ending double-play in Tuesday's 1 to 0 win over Santa Monica. Relief pitcher Billy Kehoe faced one batter to save win for Dennis Hogue and will hurl this afternoon's crucial against Mira Costa in Manhattan Beach. (Herald photo).

HOT SPOTS

By BEN and PAUL SMITH

Eleven members of Torrance Rod & Gun got together and went out on the New Diana Lee Sunday and got sixty-one barracuda, thirty five yellow tails. We first stopped at Cabrillo Point at dawn. Most everyone hooked up with a yellow on the first cast. Some landed them, some were cut off and a few farmed them, but after one hour the fish completely disappeared. Then we went to the other side of Santa Monica Bay to an ocean alive with jumping Barracuda and all sorts of boats. Everyone hooked up. The yellows didn't like jigs. They hit on live bait, but the barracuda liked anything that even resembled a jig.

Ray Hawkes and sons went down to Doheny Beach, Saturday night and he reports Spottin fishing is real good. He told about a small boy fishing with his father and using a "Snag Line," catching Corbina from four to five pounds. He, having all the best equipment, couldn't even get a nibble. Just goes to show you. Dean Barkdull took his boys fishing off the Half-Day boat at Redondo Thursday and son, Dale, landed the second largest fish on the boat. The kids had a real cool time.

Brothers Paul and Roy returned from Lake Mead. No fish, just "Windy excuses." Gladys and Fred Kimberly just returned from a week of bass and blue gill fishing at Santa Marguerita Lake. The weather was good and Fred says the bass were hitting good on Hell Benders.

Golfers, we have found a paradise for you to spend a weekend. Many of you will remember Spud and Mildred Mormon. They used to have the Club Alondra. They now have an 18 hole golf course at Singing Hills just five miles inland from El Cajon. Go down the coast to San Diego, turn left on highway 80, go to El Cajon and look for the sign to Singing Hills. The course is as beautiful as its name, nestled in a valley of green rolling hills, all covered with trees. A spacious club house with a large swimming pool for your family to enjoy while you play golf. The atmosphere is relaxing and the air fresh and mountainous smelling. A trip well worth your while. We know your game will improve among such a setting. Come in and we'll give you directions.
